

The main competences of the President of the General Council are reflected in Article 19th of the Statutes of UMa:

1 - The President:

- a) convene and chair meetings;
- b) exercise the casting vote;
- c) declare or check the vacancies in the General Council and make the appropriate substitutions in accordance with this Statute.

2 - The President shall not interfere with the exercise of powers of other organs of the institution, not fitting him to represent it or speak on their behalf.
